The above parts are the *only* parts that are *not* covered under the lifetime warranty. These parts are subject to the normal “Wear and Tear” exclusion typical for most mechanical devices.

All internal parts (motors, fans, electrical wires, power switch, pump...) are covered under the Fixadisc Lifetime Warranty. Should your machine fail for any reason because of internal parts, call 888-349-3472 and we will immediately ship you a replacement One-Step Standard machine. The only thing that you are responsible for is returning the damaged machine and paying for shipping the new machine.
